

Functional constructs
through elegant design

 **smith&nephew**
**MODULAR RAIL
SYSTEM**
External Fixator

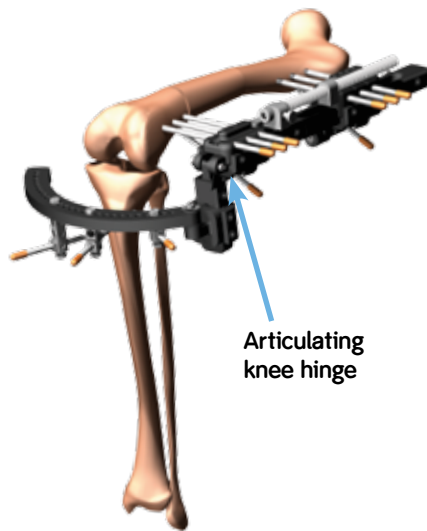

The Smith & Nephew MODULAR RAIL SYSTEM...

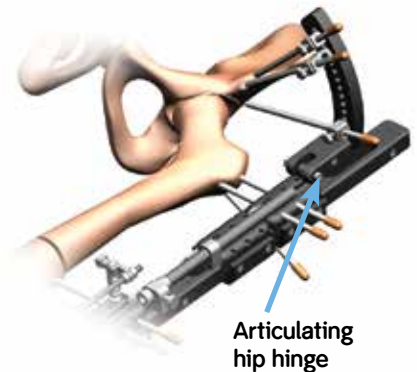

Offers **compatibility** with TAYLOR SPATIAL FRAME[®] and ILIZAROV[™] External Fixators.

Provides **simplified joint spanning**, allowing range of motion and protection of adjacent joints during lengthening.

Articulating knee hinge

Articulating hip hinge

Provides the **speed and familiarity of Rancho Cube style fixation**, without the fiddle factor of sandwich clamps.
