

RAPID RHINO 900

Your first line of defense for posterior epistaxis events

The RAPID RHINO epistaxis line offers you options to meet your patients' individual needs. Anterior and posterior options are available, as well as sizes to accommodate all anatomies, big and small. The self-lubricating, inflatable tamponade offers a single-piece solution, designed for comfort and ease of insertion.

Posterior Epistaxis Ordering information

RAPID RHINO® Inflatable Tamponade Devices
