Smith+Nephew Education Unlimited

On **Education Unlimited**, go to the "Upcoming Events" section and click on the related webinar card.
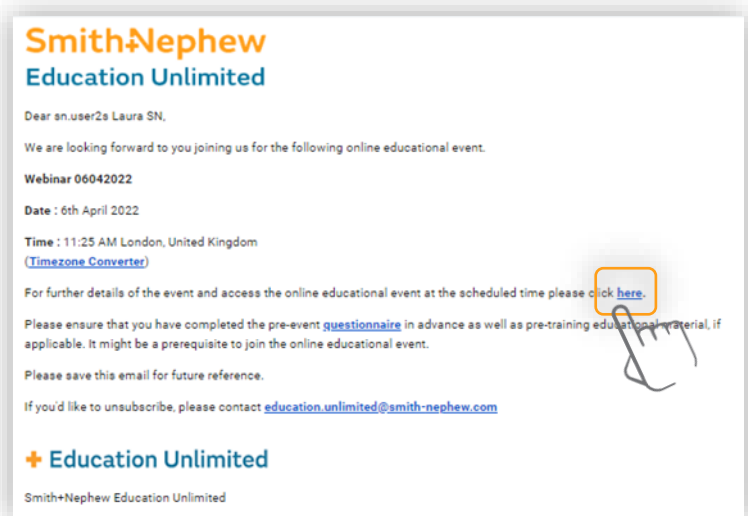

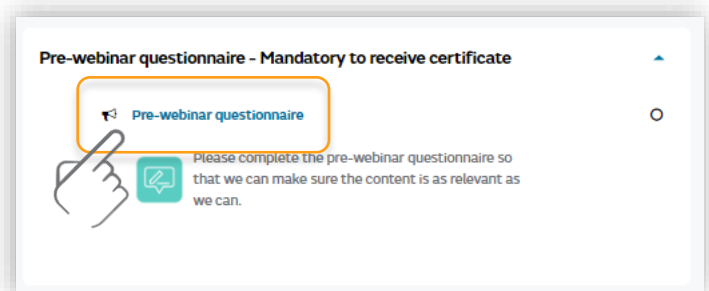

Otherwise, you can access from the link provided in the confirmation email or in the reminders that you will receive once you are registered for the webinar.

---

2   Complete the pre-event questionnaire

Complete the pre-event questionnaire in advance as well as pre-training educational material, if any.

It might be a prerequisite to join the online educational event.

Pre-webinar questionnaire - Mandatory to receive certificate

📢 Pre-webinar questionnaire

Please complete the pre-webinar questionnaire so that we can make sure the content is as relevant as we can.
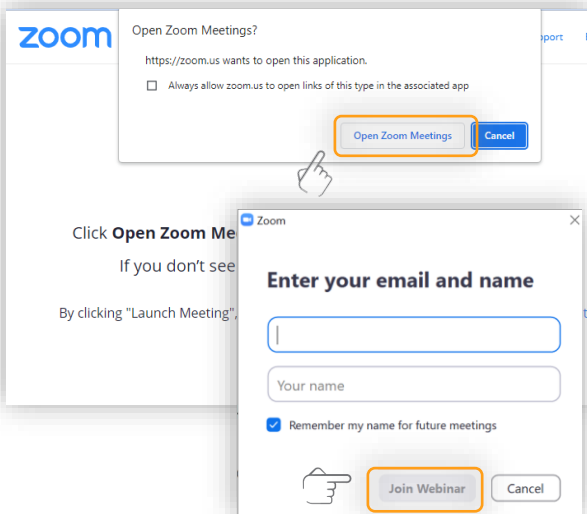

3 **Join the webinar**

If you have completed the pre-event questionnaire, the "Join webinar" button will be enabled at the time of the event.
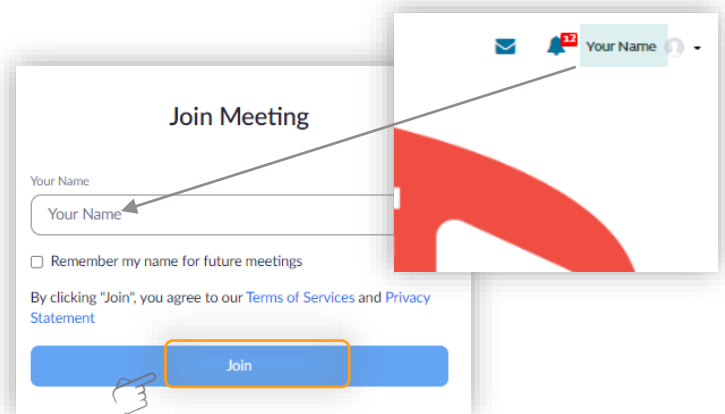

Once you click on "Join webinar", you can join the webinar using the Zoom Desktop Application or from a web browser. To maximize your experience and get the most out of it, we recommend to do it via the App.

a) Using Zoom App (recommended option)

If you do not have it, Click here to install the Zoom Desktop Application. Go to the devices' application store, if you are planning to attend the Webinar using a mobile device or tablet.

Once you click on "Join webinar", this will then launch you into the webinar.

b) Using web browser

If you need to join via web browser, please enter the name used in **Education Unlimited**. Otherwise, the certificate will be available upon request.
